Media Prices:

- 700 MB 52X Glyphic CD-R - \$0.20/disc
- 700 MB 52X Taiyo Yuden CD-R - \$0.29/disc
- 4.7 GB 8X Taiyo Yuden DVD-R - \$0.34/disc

- Prices include all films, screens, ink mixing and set-up. Costs exclude shipping and applicable sales taxes.
- Discs are bulk packed in 100 disc cake boxes. Numerous additional packaging options are available and can be quoted upon request.

Standard turnaround is 5 business days for blank printed media. Duplicated media turn times depend on quantity, type and data size, please call for estimate. Day 0 occurs when all necessary content and proof approvals to complete the job are received. Rush service available at additional cost - please call for quote.

To calculate costs choose the number of colors you need at your quantity, add your media cost and duplication cost if necessary. Then multiply by the quantity.

eg: 1000 x 5 color blank discs on Glyphic CDR would be: $\$0.345 + \$0.20 = \$0.545/\text{disc} * 1000 = \545.00

We match prices, if you receive a lower quote from a competitor for an identical service please let us know, we'll do what we can to match or beat it.
